PERSONAL SKILLS

Mother tongue(s)

Italian

Other language(s)

UNDERSTANDING		SPEAKING		WRITING
Listening	Reading	Spoken interaction	Spoken production	
English	B2	C1	B2	B2
German	B1	B2	B1	B1

Communication skills

I possess good communication skills, thanks also to many years of theatre experience. I am interested in learning new languages, so I often take part in conversation courses in English or German.

Organisational / managerial skills

I am an organized person; I am very flexible and passionate about my objectives. I am positive and solar, so I usually work well in a group.

Job-related skills

I have followed courses in nanobiotechnology, nanosystems, cellular and molecular biology, microbiology, genetic engineering.

Digital competence

SELF-ASSESSMENT				
Information processing	Communication	Content creation	Safety	Problem solving
Independent user	Independent User	Basic User	Basic User	Basic User

Other digital skills:

- good command of office suite (word processor, spread sheet, presentation software)
- basic knowledge of bioinformatics (e.g. Pubmed, UCSC Genome Browser, Ensembl, USCF chimera, UniProt) gained through bioinformatics courses and during the bachelor thesis.
